

Where could Access to Business take you?

Wondering what to do after your Access course?

You could study...

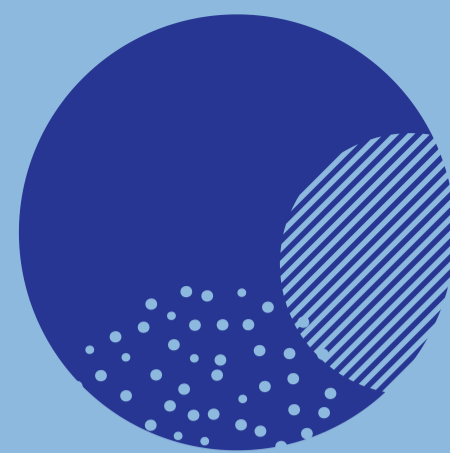

(A few) higher education options:

- Business
- Business and Law
- Management
- Marketing
- Business Analytics
- Accounting and Finance
- Economics
- International Business Management
- Events Management
- Business Psychology
- Business Information Systems

Use the UCAS course search tool to find different courses:
www.digital.ucas.com/search

Bear in mind that many employers do not specify which degree course they want you to have studied - they just want you to have a degree, preferably in a related field.

skills you already have

- problem solving
- communication
- analytical skills
- critical thinking
- teamwork
- self-motivation

Remember, these skills are always worth mentioning in a personal statement, job application, or interview.

Many Business related degree courses have a year in industry, sandwich year, or placement year where you work for a year as part of your degree. This is a great opportunity to combine study with work experience.

Apprenticeships

You could pursue these kinds of apprenticeships after your Access course

Accounting Apprenticeship Level 4 (Higher National Certificate)

£22k per annum

Project Management Apprenticeship Level 4 (Higher National Certificate)

£18k-20k per annum

Communications Assistant Chartered Manager Level 6 (Degree with honours)
